24 Commission is attached to the complaint which accompanies this request for counsel.

25 3. A. Does the Notice-of-Right-to-Sue-Letter show that the Commission found "no

27 Yes I worked for Paramount,  
28 but recently discovered the act. I need help  
with this case and or a mediator to help  
me. OR TO file papers and legal advise, I am

7           C. If you answered "yes" to question 3B, what are your reasons for questioning the  
8           Commission's determination? Be specific and support your objections with fact. Do not simply  
9           repeat the allegations made in your complaint; the court will review your complaint in considering this  
10           request for counsel.

11           I am requesting counsel for  
12           this case. We cannot afford

1       5. Explain any other efforts you have made to contact an attorney to handle your claim:

2       I have made many and diligent efforts  
3       to obtain an attorney, though I am protected  
4       by copyright laws, when those copyrights  
5       are infringed upon, the common person has  
6       no money to obtain an attorney to enforce  
7       those laws and to receive relief acquired  
8       under the law.

9       6. Give any other information which supports your application for the court to appoint an

10      attorney for you: We are common people, with disabilities,  
11      the defendant continues to infringe my  
12      copyrights, I have a right to an attorney  
13      to enforce those laws, my son Adam Urich  
14      as my heir is entitled to money made from  
15      those copyrights, the defendant has destroyed  
16      his chances of that, the reason I wrote those  
17      scripts was for his and my future security. We  
18      scripts are poor and copyright laws need to be enforced.

19      7. Give the name and address of each attorney who has represented you in the last 10 years

20      for any purpose: Wayne S. Schwartz attorney at Law

27      carrying children and hit me and Adam in the side  
28      of our car, police, firedept & ambulances everywhere, we  
29      (Attach additional sheets as needed) had to go to the hospital a couple  
30      of years ago & I had to have physical therapy.
